Overview

End to End is a Lawn Bowls booking app designed to give your players the convenience to book a game anywhere, anytime. End to End provides players with a live scoreboard, which can also be displayed on screens throughout the venue.

The administrative burden is reduced with the function of the Event Calendar allowing for scheduled, re-occurring games. Club events and promotions can also be viewed through the app, surprising and delighting patrons with what's on in the venue.

Benefits

AAC SOLUTIONS

- Easy to use
- Live Scoreboard
- Leaderboard
- Completed match results
- Club Calendar
- Club Information
- Event Promotions
